when playing with it will be deducted from your balance. In favor of bonus wagering, bets made on real and bonus funds are taken into account.

22. In any disputed cases, the decision of Buffalo casino is final.

23. Please note that it is not allowed to wagering bonus funds only, and then complete the wagering already started with cash bets, when the bonus funds become available or are canceled. If a player uses such tactics, Buffalo casino reserves the right to confiscate winnings received in this way.

24. Please keep in mind that the bonus is canceled automatically if the amount in the game balance is less than \$0.05 (or the equivalent in another currency). Keep in mind that it is also forbidden the strategy of postponing bonus rounds (quitting the slot after a bonus game is played in it and completing that bonus game later, after re-entering the slot). In such cases, any winnings can be confiscated.

26. The deposit bonus is added immediately after the deposit.
